- The road is gravel from here. After about 6km turn left and continue straight for about 7km. There are 2 sandy rivers to cross. Quicker is better than slower.
- At the top of the hill, follow the Ngala sign on the right for another 2 km to the Lodge.

PLEASE NOTE:

- &Beyond Ngala Safari Lodge cannot normally be accessed through the small gate for &Beyond Ngala Tented Camp, which is situated near the Orpen Gate to the Kruger National Park. If you are travelling to &Beyond Ngala Safari Lodge from the Kruger, please rather exit the park at the Orpen Gate, drive 40km on the Orpen Road and turn right onto the R40 towards Hoedspruit. Please note that, even though you turn here, the road you are following is still the R40. Approximately 7km before you reach Hoedspruit, turn right towards Eastgate Airport / Timbavati Private Nature Reserve. Sign in at the security boom and continue straight for about 17km. You will cross the Klaserie River and check in at the Timbavati Control Gate.
- In special circumstances we can arrange an escort from Ngala Tented Camp gate, but the normal Timbavati fees will be charged and an escort fee of R400.
- If you wish to use a GPS navigator, please enter Ngala Safari Lodge and not just Ngala as this will likely send you to the incorrect gate.
- GPS co-ordinates for the Timbavati/ East Gate turn off are: S24°23'53.00'; E30°59'25.00'.
- We recommend the use of a GPS on all main roads only. GPS maps do not generally feature most dirt roads and thus we advise that you please take to follow suggested travel directions provided at all times during your journey to our lodges.
