FACIAL EXPERIENCE

Africology Express Facial®

45 minutes / R720

For the executive on the go, this facial rejuvenates the skin and relaxes you without putting a dent in your schedule. Our pure, natural ingredients feed the skin and return the youthful glow often dulled by stress.

Africology Bespoke Facial®

60 minutes / R1000

Our Bespoke facials are designed specifically with each client's needs in mind. We offer a variety of serums that will address particular skin issues.

Depending on which serum the client chooses (with the guidance of your trained therapist), each facial is specially made for each client.

Like the phases of the moon, we would like to keep the hormonal phases of the body in natural rhythm. Just as your eyes are the windows to your soul, your face is the mirror of your inner feelings, the image which you present to the world. No two faces are the same, and so here at Africology, we acknowledge the need for skin treatments that are designed with your skin's needs in mind.

African Goddess Facial®

90 minutes / R1300

Begun with the mentally relaxing notes created by a Tibetan singing bowl, the African Goddess facial is a treatment designed to honour the goddess within. Our de-stressing, anti-aging, cell-renewal facial is rich in natural oils. Deeply hydrating, it restores elasticity and stimulates new cell growth. The back is scrubbed before a balm-infused back massage. Only once the back has been restored to its relaxed state does the facial begin. This treatment is a wonderful ritual that involves cleansing, massage and sound therapy, making it a sacred and sensory way to celebrate the Goddess within.

Soul of Africa Body Conditioning Massage®

Body 90 minutes / R1430

Back 45minute / R790

Full Body Experience Africology admires and emulates this ceremonial process, using Africa's miracle Marula oil blended with Neroli to soften signs of ageing through its anti-stress action. In Africa, Marula is also used to treat sun-damaged skin as it improves skin hydration and helps fight free radicals. This treatment starts with the application of warm, soothing mud to release negativity stored in the muscles. Marula oil is applied in preparation for your intuitive body and scalp massage.

Full Body Exfoliation

45 minutes / R570

Your body has an innate natural rhythm which we often forget. We work with this natural rhythm in assisting the body to renew itself. Our carefully selected Marula and Walnut micro particles, enveloped by hydrating Shea butter from Ghana, ensures that your skin cells are evenly exfoliated whilst receiving maximum nutrition for new beginnings.

Balancing Scalp and Leg Ritual

45 minutes / R790

A balancing massage treatment helping to relax, relieve tension in the scalp, legs and feet as well as working on calming and relaxing pressure points to help restore energy balance. This treatment works on the head, legs (including wrap) and feet individually but as a whole helps to relax and relieve tension in areas that are often neglected.

Africology Shea Aroma Therapeutics

Back 45 minutes / R720

Body 75 minute / R1140

Easy-melting Shea from Ghana blended with healing African potato, rooibos and natural essential oils creates a sublime, beautiful body experience. Shea, normally as hard as rock, once applied to the skin melts deeply into the upper layers of the dermis to hydrate, soothe and condition. The Shea is combined with your sensory selection of various essential oils such as exotic jasmine, Neroli, or Chamomile for a soothing and calming massage or perhaps Black Pepper Balm for a deep tissue experience.

SKIN ADORATION WRAPS

Slimming Detox Body Wrap

120 minutes / R2570

Not suitable for pregnant clients. We use an African plant combination infused into a natural mud to help with circulation and lymph. This very effective clay contains L-carnitine and caffeine, which act as fat strippers and mobilisers to stimulate lipolysis. This invigorating wrap begins with stimulating and exfoliating, working on circulation and lymph before the warm wrap is applied and heated. This wrap works particularly well for bodies in need of a detox owing to acidic conditions, arthritis and oedema. Completed with a circulatory massage and energy balancing.

African Potato Body Experience®

120 minutes / R2570

Our pure and natural Hypoxis Body Wrap is formulated with African potato and Marula oil, warmly applied to soften, soothe and improve skin hydration while also fighting free radical damage. This herbal blend relaxes you on application, while the rich background sounds of Africa help the mind focus on the holistic experience. Enjoy a traditional foot ritual and deeply relaxing scalp massage while the wrap is melted into the skin. Finally, there is a soothing massage with body-conditioning Marula oil, which creates a natural barrier to hold in moisture and improve collagen and elastin, to complete the experience
