

Wilson Island

Great Barrier Reef

Eco-Friendly Sustainability

Wilson Island is in a Marine National Park Green Zone, located within the Southern Great Barrier Reef. It is a *no-touch, no-take* area. We take our responsibility to protect the Marine Park very seriously and are committed to sustaining this incredible natural environment to be enjoyed for many generations to come.

Wilson Island is 100% solar and battery-powered. We are committed to using 100% Australian products, resources and food where possible.

Where possible, we have utilised eco and organic materials as well as using recycled resources and upcycled furnishings.

Our bathroom amenities are 100% biodegradable and made from native Australian plants and properties.

You will not find any single-use plastics on Wilson Island. Also, we utilise environmentally friendly cleaning products throughout all areas of Wilson Island.

Most importantly, we have installed turtle-friendly lighting to be used in the turtle laying and hatching seasons.

Location

You will find Wilson Island located just north of the Tropic of Capricorn, around 80kms northeast off the coast of Gladstone and 15kms from nearby Heron Island.

At Wilson Island, you are staying on one of the SEVEN NATURAL WONDERS OF THE WORLD - the Great Barrier Reef

Wilson Island is the ultimate adults-only island castaway experience, offering peace and tranquillity in a setting of unrivalled natural beauty. Its pristine waters host an unimaginable variety of marine life, including the Great 8: Clownfish, Manta Ray, Giant Clam, Turtles, Whales, Sharks, Maori Wrasse, Potato Cod.

With no phones, internet or television, the soundtrack for your getaway is the lapping of ocean waves, the rustle of the leaves in the breeze and the melody of neighbouring birds. Wilson Island boasts 9 safari style tents allowing guests to relax and rejuvenate in the privacy and seclusion of their own stretch of beachfront.

As a wildlife sanctuary, Wilson Island is closed from 28-Jan to 31-Mar annually to allow the peace and quiet needed for nesting for our resident bird population.

Accommodation

Your Ocean View Eco-Tent is almost unnoticeable amongst the ancient Pisonia Forest but is luxuriously decked out with a king bed, eco linen and generous pillows. Curl up with a cool drink in the afternoon on your private wood deck and enjoy your exclusive view of the Great Barrier Reef.

With only 9 permanent tents, Wilson Island can host a maximum of 18 guests at any one time, allowing for a feeling of private seclusion during your stay. You can book your own private tent or you can reserve the entire island, exclusively to yourself.

The perfect castaway in style experience, you will wake up in the morning feeling relaxed and rejuvenated to the sounds of the ocean from the comfort of a king-size bed.
