## Fish Eagle

Enter through the garden gate into the minty and fresh surrounds of the five bedroomed Fish Eagle villa. This stylish unit is more than generous when it comes to outdoor entertainment as it has a sheltered garden on one level while a few steps higher you will find a gorgeously sunny deck surrounding a sparkling swimming pool.

A few more steps up reveals a huge veranda leading into the villa, complete with outdoor bar area and plenty of space to enjoy the sunshine. The newly fitted, high tech kitchen is every chef's dream and flows seamlessly into the communal living space.

The villa has one self-contained en-suite bedroom above the double lock-up garage with the other four bedrooms situated in the main house. There is a guest bathroom and toilet on the ground floor of the unit.

 King beds	 Twin beds
