About the Hotel

Cape Cadogan Boutique Hotel, set in the suburb of Gardens, is a grand old dame (with National Monument status) dating back to the early 1800s. But her bold and quirky style brings her firmly into the 21st century, without losing any of her charm. From the outside, this original Georgian house, with Victorian influences, looks like a private residence, and each of her 15 individually-decorated rooms is intended to make solo, couple, and business travellers alike feel at home in the heart of the city.

Families

Children over 10 years are welcome at Cape Cadogan Boutique Hotel • A childminding service is offered to keep children amused and out of mischief, while parents take some me time

Mack & Madi Experience

Inspired by Rob and Britt More's first-hand understanding of travelling with their twins, Mack and Madi. More options and flexibility around accommodations, meals, and outings give children a little extra freedom to explore and just be kids – and make family travel child's play.

In-room kids' amenities include special dressing gowns for boys and girls, and age-appropriate books and toy boxes (filled with everything from colouring books to building blocks) to ensure young ones settle in easily and are kept entertained. When wanting to explore the city together, MORE Family Collection Reservations will gladly assist with organising fun-filled family outings at guests' convenience. Families are not restricted by itineraries and can arrange their stays around exactly what they feel like doing.
