A celebration to  
remember

Belmond Mount Nelson serves up a stunning backdrop for a celebration to remember. Say 'I do' with Table Mountain as your witness in our beautiful gardens, or feast on a full wedding brunch or evening banquet in the ballroom. From flowers to photography, our expert team create the kind of Cape Town weddings that will be remembered forever.

Under the guidance of our acclaimed Executive Chef, Rudi Liebenberg, our team can create the ideal menu to suit your tastes and dietary requirements. Canapés may include locally inspired delicacies such as rare ostrich on flat bread or mini boerewors rolls with chakalaka, while set menus might feature delicious dishes such as crayfish remoulade, biltong-dusted springbok loin and nougatine parfait. We can provide imaginative cold and hot buffets as well as enticing dessert and cheese tables. The hotel can accommodate Kosher weddings, however it will be catered for by an outside Kosher caterer.
