

## Staff

GMC mobile in-camp staff take care of the cooking, day-to-day management, resupply and relocation of the camp. They make sure you have hot showers, hot coffee, hot dinners, that your drinks are cold and the solar lights charged! You don't have to do chores!

## Driver-Guide

One of the keys to a successful safari, lies in the skills, passion, knowledge and competency of your driver-guide. GMC always provides an English-speaking professional driver guide who is experienced in the Serengeti National Park and the Great Wildebeest Migration
