

PAFURI CAMP

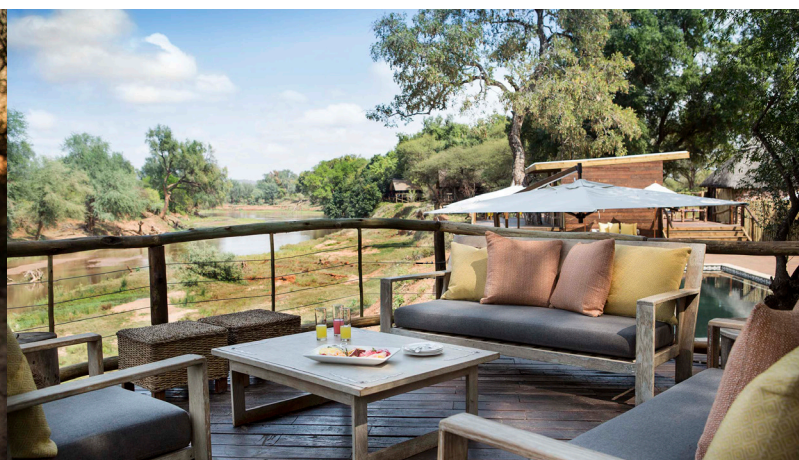

Situated between the Limpopo and Luvuvhu rivers, the 26 500-hectare Makuleke contract park is Pafuri Camp. There are 19 tents, 7 of which are family units that sleep up to 4 people. All the tents are situated on the Luvuvhu River with spectacular views. A unique example of a local community using responsible tourism and conservation to remedy the negative effects their forced removal from the area in 1969 had on their livelihoods.

Our camp is unfenced and all luxury tents are connected to the main area via a network of raised wooden walkways.
