

DISCOVER THE OKAVANGO DELTA

Adventures of a lifetime

WILDchild

The Okavango Delta is a wonderful playground for little ones to explore. Beyond offers a host of entertaining activities for children aged 3–12 years, bringing alive the magic of Botswana. Whilst on a family safari, you can rest assured that your children will always be safe and well cared for (both during activities and back at the lodge). Every minute can be supervised by our guides and lodge staff, who provide hours of amusement and invaluable information to the children in their care. Special children’s menus are available and childminding services are available at an additional cost.

CHILD POLICY

The below policy applies to children on shared game drives and water activities*.

0-2 years	Not permitted on game viewing activities
3-5 years	Not permitted on game viewing activities; however, shortened children’s game drives are available on request
6 years and older	Permitted on game drives (at the discretion of the camp manager)

Access to sightings will be at the discretion of the guide, based on the behaviour of both the child and animals. In the case of boating activities, the availability of boats may restrict private use and require forward planning.
