INSIDER TIPS

At Belmond Eagle Island Lodge, visit the neighbouring Nxhoga village on the island of Xaxaba for an authentic insight into the Motswana way of life.

Some of the best wildlife sightings are from our own viewing hide at Belmond Savute Elephant Lodge. Gather at night to witness the nocturnal sounds – roars, rumbles, chirps – magically amplified.

FURTHER AFIELD

Combine your safari experience with a stay in Cape Town at our legendary Belmond Mount Nelson Hotel.

Our talented chefs prepare gourmet picnics and feasts of regional delicacies. A highlight is the boma, a unique dining experience that brings the true spirit of Africa alive. Guests gather by the fire to indulge in delicious local dishes as singers and musicians invoke the rhythms of Botswana.

HONEYMOONS IN BOTSWANA

While we do not host weddings at our lodges, a safari embracing all three of our experiences is the ultimate honeymoon. Sip romantic sundowners as you watch majestic birds swoop, enjoy intimate dinners on your own private deck as elephants trundle past, drift through the watery landscape on a canoe, and simply marvel at the breathtaking diversity of wildlife in this wondrous region.
