

MARA
KOGATENDE
NORTHERN SERENGETI

Nimali Africa is an exceptional collection of boutique luxury lodges and camps - all designed to immerse you into the natural beauty. Inspired by the Swahili word for wealth we believe that nature is Africa's greatest source of wealth and we have designed our experiences to immerse you in the wealth that surrounds us.

Nimali Mara, the third camp to join the Nimali Africa family, is situated in a tranquil and serene area of Kogatende, in the remote Northern Serengeti.

Located 35 minutes from the Mara River in a small kopje, the camp fits naturally into its surroundings amongst the trees and boulders with an infinity pool set within a natural cave. The Camp has been strategically located away from the hustle and bustle of safari vehicles whilst retaining easy access to the river and views of the amazing wildebeest migration crossings.

Nimali Mara comprises of 8 suites and 2 honeymoon suites that have a private plunge pool and lounge area, that can convert into a room when travelling with families. The external walls of the suites are canvas while, the front is glass. This is to maximise views and, allow guests to immerse in nature. The tented suites have fixed wooden doors, double showers, twin vanity, a brass bath tub and fittings.

This boutique and intimate tented camp will offer its guests a sense of sophisticated elegance and timelessness through its blend of natural materials, contemporary design and safari-opulence that Nimali Africa is known to deliver. We are delighted to announce that Nimali Mara will be opening in July 2019.
