The "All You Can Spa" concept gives you the opportunity to enjoy any Spa Journey, at one rate, regardless of the menu price. With this package, you purchase the time, which you can then use towards your journey from our comprehensive menu.

This concept has been structured into three packages to suit your specific wellness desires:  
Embrace - 4 Hours | Indulge - 7 Hours | Purify - 10 Hours

With our range of products from the nature and full selection of Africology treatments, you will experience a soulful journey that revitalizes the body and skin consciously. Our ethos is to introduce you to authentic African spa rituals without neglecting valuable healing and holistic traditions from around the world. Our treatments are about more than superficial beauty. They revive, inspire and rejuvenate so that inner beauty shines on the outside.

The goal of the All You Can Spa concept is to create an oasis of calm where every sense is revitalized, whilst giving you the flexibility and freedom to explore the varied journeys available without the added cost factor.
