# BANQUETING

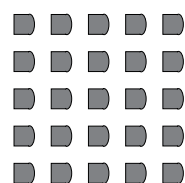

## BANQUETING

Fancourt's conference facilities are equipped with top-of-the-range audio-visual equipment and offer full business services, including video conferencing and an on-site technician to assist with technical set up.

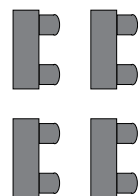

Although Fancourt has an extensive conference centre featuring a 400-seater ballroom, executive boardroom, break-away and meeting rooms and a business lounge, the layout, configuration and capacity of the venues will adhere to current COVID-19 regulations and restrictions.

There are several other conferencing and dining venues on the resort allowing a versatile offering such as Bedouin tents, dine-around and wine pairings. We also offer outside catering at venues such as the train museum, an Africa shebeen themed evening in the maintenance sheds or even barn dance in the local farm storage shed. Another fantastic cultural option in the area is a beach braai at De Vette Mossel – a unique experience.
