At Kirstenbosch, we will explore the gardens and walk above the treetops on the Boomslang. At Kalk Bay, we explore the working fishing harbour, meet the seals, have a go at throwing a fishing line over the harbour wall while you banter and get to know the lively locals at the harbour.

Heading to Simon's Town, we will find our own rogue Penguins on lesser-known beaches only accessible to the locals. Lunch will be close to Penguin Beach, where you will be able to indulge in a delicious picnic packed for you.

After your leisurely picnic, we will head to the Peninsula reserve where we'll be on the hunt for the Cape 5 (Ostrich, Baboons, Mountain Zebra, Bontebok and Tortoise) and at Cape Point, we will also spend our time exploring the beaches and shipwrecks for lost treasure.

We will visit the charismatic Noordhoek Farm village for delicious artisanal ice cream, before returning to the base along a scenic coastal route.

Hike Kirstenbosch Gardens & Boomslang - Family Tree Top Canopy Hike (Esc+Exp)

Kirstenbosch Gardens is acclaimed as one of the greatest Botanical Gardens in the world, and in March 2015 claimed the Garden of the Year Award at the 2015 International Garden Tourism Awards. The gardens is the perfect setting for anyone with an interest in plants, birds and photography and as you hike through exploring the vast array of flowers with your guide, you will head to the top of the gardens where the Tree Canopy Walkway, or Boomslang is situated. The Boomslang (meaning tree snake) will lead us from the forest floor right up through the trees, offering spectacular panoramic views of the mountains, Garden and City.

Explore Kalk Bay - Meet the Resident Seals & Fishing Folk (Esc+Exp)

Kalk Bay is loved for its bohemian vibe and fabulous old-style architecture surrounding the working harbour at its heart. Take a look around the boatyard, watch the fisherman bringing their day's catch in, or throw a line over the harbour wall with the locals. Seals frequent the safe waters, and out to sea, you could be lucky to spot pods of dolphins and whales cruising past. For arty types, explore the galleries and enjoy the mix of locally produced street art along the sidewalk. Be sure to take a walk down the side alleys for some unexpected finds.

Lunch - A Private Wild Peninsula Picnic (Esc+Exp)

The Cape Peninsula in the Deep South is renowned for stunning scenery and pristine natural areas as far as the eye can see. We'll explore this beautiful tip of South Africa and find the best location for a wild picnic with a difference. Depending on local conditions, we could be settling down to enjoy a fine lunch out in the wilderness which might be anywhere from the slopes of Table Mountain National Park, to some of the more remote nature reserves and deserted beaches far from the usual tour routes.

Hike Cape Point – Family Hike Shipwrecks, Whales, White Sand and Wildlife (Esc+Exp)

Families will love this hike, with plenty of options for all ages. The ride up to Cape Point

NOORDHOEK BEACH HOUSE

Lighthouse on the electric funicular, "Flying Dutchman", is a classic way to reach the top, and the history behind this landmark on the Cape of Storms is literally the stuff adventures are made of. Next, we'll hike into the reserve and look for the Cape Five – ostrich, baboons, bontebok, tortoises and mountain zebra – and whatever else we can find. Our walk will lead through this stunning part of Table Mountain National Park, to shipwrecks on deserted beaches, secret coves and rock pools.

Explore – Noordhoek Farm Village with a Cheeky 'Kick Ass' Ice Cream or Coffee (Esc+Exp)

Visiting the Noordhoek Farm Village is like seeing an old friend. It's easy, relaxed and no-nonsense in a comfortable and welcoming environment for all ages. Explore the food hub of the south peninsula where you'll find artisan breads freshly baked daily from the Foodbarn Deli, handcrafted ice cream Kristen's Kick-Ass Ice Cream using the finest natural ingredients, a coffee Roastery, where coffee beans from all over Africa are ground together and a raw juice bar. Browse the local craft shops while the kids play safely in the children play area.

Explore - Cape Town's most scenic road with all 144 curves of Chapman's Peak Drive (Esc+Exp)

This ribbon of coastal road is rightly known as one the most scenic drives in the world. We'll follow the tar around the shoulder of Chapman's Peak which rises above on one side, and plunges way down to the rocky shores far below. Chapman's Peak Drive links the village of Hout Bay to Noordhoek, around 114 bends which is quite possibly one of the most beautiful nine kilometres you'll ever experience.
