## Description

Our adventure in our Adventure Utility Vehicles (AUV) will take the scenic route into the Winelands for our day of fun play, taste and exploration which awaits!

Our first stop of the day will be at a family-friendly wine estate (think the likes of Annandale with their friendly dogs and play area, Eikendal: with their imaginative children's tasting experiences to stimulate their young palates or even Boschendal with its wealth of children's activities on their expansive estate).

For a unique lunch experience, we will head into the heart of Franschhoek to the Bread & Wine Estate for the children to get their hands dirty in the kitchen and to make their own bread under the baker's supervision. The adults can enjoy a delicious light lunch and estate wines in a beautiful setting.

The afternoon will be spent indulging in a chocolate tasting in the heart of Franschhoek at a local chocolatier.

After lunch, the tour then leads us to one more surprise stop (time allowing) chosen by your guide, to please the whole family.

Let your inner child out to play when our toy Bag makes its appearance!

## Play – Vineyard Fun Cycle, Hike, Ride or Simply Play

The various wine regions in the Western Cape have a wealth of family-friendly wine estates for our team to choose from to ensure that there is something to suit the whole family.

Let the adults indulge in wine tastings in spectacular settings and estates, while our guide/s keep the children entertained by choosing from activities on offer at chosen estates. Activities on the various estates (such as Annandale or

Boschendal to name but a few) vary between a horse ride, cycling in the vines, hiking in the local nature reserves, chasing runner ducks, discovering the origins of fruit and veg in large gardens, and keeping children engaged with our fun children's toy bag filled with many games and sports such as a game of cricket/ football or rugby on estate lawns, an ice tea tasting hosted by our guide or an energetic work out on a playground.

## Lunch - Bread & Wine Breadmaking for Children (Wine Tasting for Adults)

While the parents enjoy the relaxed outdoor patio of the Bread & Wine Restaurant and indulge in cheese or charcuterie platters alongside the estate's award-winning wines, the children will head into the setup kitchen with the Chef to enjoy a Hands-on bread making activity. Making focaccia dough, they will learn to twist and shape different loaves of bread and make and top their own pizzas for lunch.

Homemade Lemonade and ice cream sandwiches are all included in the fun.

This experience starts at 11.45am

## Lunch - Bread & Wine Restaurant (Esc+Exp)

Bread & Wine is a rustic restaurant big on character and exuding an old-world charm. Neil Jewell, a local charcuterie, is the inspiration behind the perfectly balanced and seasonally influenced menu.

## Explore – Huguenot Chocolate Tasting, Franschoek (esc+exp)

Huguenot fine chocolates in the main street of Franschoek offers a delicious range handcrafted Belgian chocolates. Partners, Danver Windvogel & Denver Adonis are Belgian-qualified chocolatiers. Chocolates are made in view of visitors to the chocolatier. The Chocolate Experience, a half-hour program of tasting, demonstrations and chocolate history, is held regularly for visitors to enjoy.

## Wine Farm - Surprise Stop for Play + Taste Family Experience

To end the day, our guide will choose from a Myriad of wine estates and visits in the region, for the best suited experience to suit your family's needs and to best compliment your day. Fancy an active afternoon getting our Toy Bag out of the boot and indulging the family in a local sport among beautifully manicured lawns on a sprawling vineyard? Or perhaps, work off the indulgent treats of the day with a light

hike in the vineyards taking in the views and topping it off with a wine tasting to round off the day.
