& MANOR HOUSE

QUEEN VICTORIA HOTEL - FACT SHEET

Location

What sets the Queen Victoria Hotel & Manor House apart from other hotels at the world-renowned V&A Waterfront is undoubtedly its position. Located within a precinct of heritage buildings along Portsworld Road – a main artery leading to and from the Waterfront – the Queen Victoria Hotel gives you a sense of being within the Waterfront's vicinity but removed from the frenetic pace of it.

Accommodation

Luxury and sophistication emanate through to the 3 suites and 32 luxury rooms, each one individually designed and curated. With a consistent ambience of glamorous repose, most of the suites have panoramic views of either Table Mountain or Cape Town Harbour and all of them have a fully stocked private mini bar and Charlotte Rhys pamper accessories. The attention to detail is also something to behold, from the customised wallpaper uniquely designed with a cameo portrait of Queen Victoria and the laser-cut, paper-on-paper artwork of local fynbos to the hotel's very own designer fragrance that wafts through the suites and foyer.

Queen Victoria Hotel has 15 Deluxe, 17 Premium, 1 Junior Mountain Suite, 1 Executive Suite and 1 Presidential Suite.

Deluxe Rooms

Deluxe Rooms overlook the courtyard and range in size from 38 – 46 sq. metres.

Premium Rooms

Premium Rooms enjoy views of the working harbour and/or Table Mountain. The difference between Deluxe and Premium rooms are primarily the views. Premium rooms range in size from 35 – 54 sq. metres.

Junior Mountain Suite

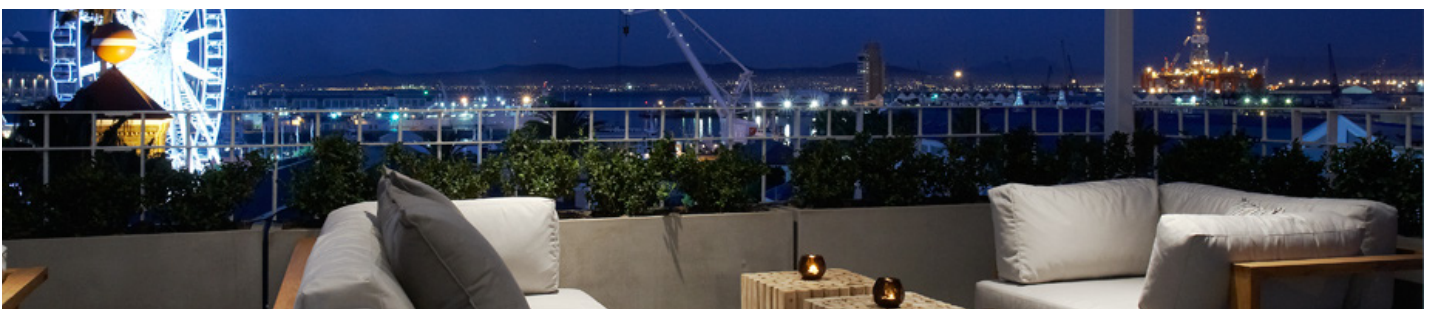

The Junior Mountain Suite has beautiful views of Table Mountain and the working harbour. This suite consists of a large bedroom which includes a lounge area and open-plan bathroom and balcony. The Junior Mountain Suite is 63 sq. metres in size.

Executive Suite

The Executive Suite has a separate bedroom, lounge and bathroom with TVs in both the bedroom and lounge. This room is 50 sq. metres and has a balcony overlooking the courtyard.

Presidential Suite

This suite has been designed in such a way that the flow of interior and exterior space is ambiguous, with a double chaise lounge bed on the balcony that encourages guests to linger longer and soak up the breathtaking views overlooking Table Mountain and the working harbour. The spacious dining room and contemporary style lounge leads to a luxurious bedroom with a king-sized bed and an unconventionally large bathroom. This suite is 124 sq. metres in size.

Dining

Dash is the restaurant and bar offering at the Queen Victoria Hotel, named after the Queen's favourite pet. There is nothing cute about this space, however on the contrary it is the ultimate in sophisticated fine dining. The 36-seat Dash offers patrons an elegant yet relaxed experience with a touch of drama in the presentation of the well-crafted menu. The menu focuses on the unique flavours of each ingredient. Dash is perfect for breakfast, lunch or dinner as well as drinks at the bar.

Ginja Restaurant at the Victoria & Alfred Hotel incorporates a blend of artisanal and wholesome all day dining menu options. This can be enjoyed against the iconic backdrop of Table Mountain situated on the water's edge of the V&A Waterfront. The restaurant also has a unique coffee bar, Native Espresso Bar, created by a local entrepreneur for coffee connoisseurs looking for a sensational morning fix and a breakfast or lunch baguette to-go.

Guests staying at any of our V&A Waterfront properties can opt to have breakfast at either of these restaurants at no additional cost when booked with bed and breakfast. The convenience of dining at our restaurants is that they can be billed directly to your room.
