

PHOTOGRAPHIC VEHICLE OVERVIEW

Calling all photographers — introducing our specialist photographic vehicles available in five locations across Kenya and Tanzania.

HOW TO BOOK:

Please check availability of the vehicle with your Asilia consultant and book the same way you would a private vehicle

US\$500 per day supplement

LOCATIONS:

- **Serengeti North:** Based at Sayari, also bookable from Olakira Migration Camp (North) and Ubuntu Migration Camp (North)
- **Serengeti Central:** Based at Namiri Plains and also bookable from Dunia
- **Masai Mara:** Based at Naboisho, also bookable from Rekeru, Encounter Mara, and Mara Bush Houses

SPECIAL FEATURES:

- Drop-down sides for photographers to lie down and get low-angle photographs
- Three 360-degree swivel seats, one per “row” — seats also lean right back if required
- Only front and back bars to hold up the roof — less obstruction of view for photography
- Beanbags and foam camera rest — photographers advised to bring their own tripods
- All the usual Asilia vehicle kit — fridge, charging points (UK three-pin plugs), roll down sides for bad weather, etc.

NEED TO KNOW:

- Accommodates three photographers + one additional guest in front seat next to driver (seat next to driver is not specialised/no additional functionality, so if there are four photographers we ask our agent partners to manage their expectations at booking stage that they must take turns)
- Not possible to use from a third-party property — must be an Asilia camp
