Cancellation Policy

Clients who cancel their ballooning tour within 24 of departure will not be given a refund. Clients who are a "no show" on the morning of the tour will not be given a refund. Clients who suffer "cold feet" on the launch field will not be given a refund. Where circumstances are beyond a client's control, please contact our office immediately.

Weather Conditions

If the ballooning is cancelled due to adverse weather conditions, we will endeavor to rebook the passengers for another date that suits their schedule. Sometimes this is not possible, therefore the passengers are entitled to a full refund.

Inclusions

Return transfers from Alice Springs accommodation and a commemorative flight certificate. Sparkling wine and tropical fruit juice accompanied by a selection of individually packaged muffins and other slices, cheese and fresh fruit.

Start & finish times

Times vary considerable throughout the year. Summer: 4:15am to 8:15am. Winter: 5:30am to 9:30am. Contact our office for exact times, or exact times will be provided in writing upon booking confirmation.

What to bring & wear

It is dusty in the Outback. Outdoor clothing (preferably not white), long pants and hat or cap are recommended. Enclosed flat heel shoes are essential. It is no colder in the balloon than on the ground but it can be cooler before sunrise. Warm clothing may be necessary from approximately May to September. Loose items such as dangling jewellery and scarves are not permitted once passengers reach the launch site and dis-embark from the bus.

Block out dates

Outback Ballooning will not operate: 25 December – Christmas Day, 26 December – Boxing Day, 1 January – New Years Day

Number of Passengers

Outback Ballooning has a large fleet of balloons suitable for 3-4 people, up to 8, 12, 16, 20 and 24 people in one balloon depending on number of bookings on the day. Exclusive charters are also available on request.

FOC Policy

Subject to availability, the Tour Escort can join the tour FOC. The A\$30 insurance charge is applicable to all passengers.

Freesale/Allotments

Freesale and allotments are available with a 7 day release back. For more information, call the reservations team on 1800 809 790.

General Health

Physical fitness is not a requirement to enjoy a ballooning adventure but passengers must be able to climb up and in (there are foot holes) and stand for the duration of the flight (with secure high sides to lean on) as there are no seats in the basket. Civil Aviation Safety Authority (CASA) rules and regulations and Outback Ballooning's policy prevent us from flying women who are over 12 weeks pregnant. Pregnancy must be advised in advance. Illness and/or recent operations that may affect the person or other persons on the tour must be notified to Outback Ballooning in advance. Medication should be brought on the tour. The packing up tasks at the end of the flight are optional and we would appreciate your assistance in these enjoyable activities. However, they do involve some lifting and participation is entirely voluntary. Passengers that are less able bodied are invited to stand back and take photos. Persons with medical conditions participating in the balloon flight and pack up activities do so at their own risk. Any form of disablement must be discussed with Outback Ballooning prior to making a booking. Each person is considered on an individual basis. The flight and carriage of any passenger will take place at the pilot's discretion.
