

the atlantico flight

Cape Town Helicopters takes you along the Atlantic Coast to view the beauty of Four Beaches of Clifton...

In a flight time of approximately **18 minutes**, you start your journey departing from the V&A Waterfront. Your first sights will be of the harbour as you lift higher into the air and watch the City Bowl unfold in front of your eyes. You'll fly over the R 4.4 billion **Cape Town Stadium** in Green Point that was used for the 2010 FIFA World Cup.

The earthy colours of Signal Hill contrast the striking blue of the **Atlantic Ocean**, as you continue along and find yourself aligned with Lion's Head. Peek over your shoulder for a glimpse of Robben Island in the distance. You'll follow the exquisite coastline underneath the **Twelve Apostles** and view the immaculate waters of our infamous shores. Recognise Camps Bay and envy the luxurious homes at the elite Clifton beach and Llandudno.

Dotted with yachts, you'll see Hout Bay harbour as you pass through the neck at Karbonkelberg, and onwards over the impressive seascapes of **False Bay**. Catch a quick glimpse of Chapmans Peak affectionately known as "Chappies", with the majestic Cape Town scenery as we return to the V&A Waterfront and enjoy the amazing views on our return.
