| Property description (short) selling points | Child friendly Situated on Jozini Lake Great for family holidays, leisure guests, weddings and events |
| Property description | A picturesque Experience comparable to Lake Kariba Jozini Tiger Lodge & Spa respectfully resembles a traditional Zulu stronghold set on a hilltop above the shores of Lake Jozini, in the far northern reaches of KwaZulu-Natal. We've taken meticulous care to create a sanctuary off the well-trodden tourist path gently co-existing within the natural surrounds, whilst tastefully paying homage to the local culture. Be it a business trip, honeymoon or family getaway, you will be drawn to Jozini, not just for how you're treated, but for how being here makes you feel. The atmosphere is relaxed and effortless, backed by a high level of top notch service and personalised hospitality. From our private Mangwanani Spa, to our fully-equipped gym and rim-flow pool, Jozini Tiger Lodge & Spa's facilities will complete your stay. We also offer extensive conference and banqueting facilities and are particularly well-known for hosting corporate conferences, international tour groups and team building events. Weddings and honeymoons also top the list of our specialities. Lake Jozini has become a household name for Tiger fishing and, as we are well-positioned amongst St. Lucia, Hluhluwe-Imfolozi Park, Ndumu Game Reserve and Tembe Elephant Park, a day of game viewing, walking, birding and picnicking is an easy feat. |
