INTRODUCTION

Enasoit is a private wildlife reserve and permanent tented camp nestled in the foothills of Mount Kenya, surrounded by pristine wilderness. Guests enjoy the camp as well as the wildlife reserve on a purely exclusive-use basis – an ideal retreat for weddings and events.

As a small and intimate camp, Enasoit has unique charm. It is relaxed and welcoming, yet luxurious and beautifully appointed. One of the most distinctive features of Enasoit Camp is the extraordinary wildlife activity at the waterhole just in front of the main Mess Tent – the perfect viewpoint for game viewing from the comfort of an armchair. The setting and scenery is an exceptional backdrop for a celebration.

The Enasoit team is well practiced in arranging and catering for celebrations – from designing menus, providing decorations, and organizing entertainment, and will customize the celebration to your preferences to create a truly unforgettable event.
