| Property description | <p>Soak up Montagu from your pool lounge</p> <p>Avalon Springs Resort has long become a "hotspot" for annual family holidays in the Western Cape. Just two hours' drive away from Cape Town, guests will find themselves frolicking in this watery arena of steamy pools, while enjoying all the benefits a resort-style holiday has to offer. The service is top notch, the atmosphere effortless and the accommodation plentiful, ranging from hotel rooms and chalets to self-catering studio apartments and even wheelchair-friendly garden suites. While soaking up the mineral-rich waters is a remedy for the body at this resort near Montagu, the surrounding views are just the right remedy for the soul, stretching out far beyond the glorious vistas of orchards and craggy mountains. The on-site Cogman's Restaurant and Avacabana Bar ensure that you will never go hungry (or thirsty) during your stay, with other facilities including a children's play area, a cafe, lounge and private spa. Avalon Springs offers more great activities such as hiking along the nearby trails, teeing off on the minigolf greens and swinging a few rounds on the tennis court. The main draw of Avalon Springs is of course the natural hot springs, along with the town of Montagu, offering a treasure trove of activities, restaurants, quirky padstalls and lively locals.</p> |
