

BUFFELSDRIFT

GAME LODGE

Buffelsdrift Game Lodge offers an unique and perfect setting for your conference, product launch, successful meeting, corporate function and team building session. Our modern conference centre is situated on the edge of a natural waterhole with a wide wooden deck—the perfect atmosphere to promote the sharing of information and where productive and innovative thinking can take place.

Enjoy break sessions out on the deck beside the 5ha dam, in the lookout lounge and/or in the A la Carte restaurant. We offer numerous activities such as bush safaris, Night Drives, meerkat safaris, lion experience, free roaming cheetah experience and elephant excursions, all supervised by trained professionals.

Our Game Lodge has a total of 34 luxury air-conditioned tents with en suite bathrooms and private outdoor showers. Each unit has a view over the waterhole and the picturesque Swartberg Mountains and accommodates 2 delegates.

Conferencing
