RESERVA AMAZÓNICA  
TAMBOPATA - PERU

## DESCRIPTION

Inkaterra Reserva Amazonica is a gracious rainforest lodge, adjacent to the lush Tambopata National Reserve. Remote and pristine, yet easily accessible, this region is only a -35minute flight from Cusco. Here, in the area known as the "Biodiversity Capital of Peru", awaits the opportunity for discovering an incredible variety of species – birds, mammals, reptiles, insects, trees, among others. A welcoming haven of 200 hectares (494 acres), Inkaterra Reserva Amazonica offers a range of land and river excursions that introduce guests to the magic of the rainforest.
