

**Distance:** about 22 kms

**Time:** Allow up to 30 minutes

Follow the only road out of the airport. After 4 kilometres you will come to a T junction where you turn right. Follow this road for about 20 kms ignoring all turnings. You will reach a set of traffic lights – continue straight over these and look for a bridge over a railway line. Take the next turning to the left after the bridge onto Ufulu Road. There is a yellow coloured fuel station just beyond this turning. After a couple of kilometres you will see “Ufulu Gardens” on your left. Take the next turning to your right after Ufulu Gardens on to Blantyre Street. Then take the first turning to your right and Heuglin's Lodge is the second house on the right. It has large black gates, with a terracotta coloured wall.
