## Amari: The colours and rhythms of modern Asian hospitality

Awaken to the sun's first rays breaking over a centuries-old mountain city at dawn. Feel the sand under your feet as the Andaman tide gently rolls in. Bask in the warmth of a smile waiting behind an open door, or the taste of a local dish prepared to perfection. Watch as a tropical island landscape unfolds in full colour. Listen to the pulse of an urban heartbeat that energises the night.

## Life in Andaman blue

Imagine lounging by an elephant-adorned infinity pool with a signature cocktail in your hand, looking out at the ocean where the rocky islands in the distance rise up through the impossibly blue water. Amari Vogue is life to a slower rhythm, inspired by the placid natural beauty of Krabi. Discover your perfect experience: whether catching rays on sun-drenched Tub Kaek Beach, scuba diving through pristine coral reefs or dining in the seaside restaurant.

## Your peaceful abode

This intimate 57-room resort offers a broad range of room styles to fit every mood. The spacious 50 square-metre Deluxe Rooms feature private balconies with partial ocean and garden views and a wide selection of amenities. Each unique room is magnificently decorated in contemporary Thai style, lending an ambience of traditional charm blended with modern comfort. The decadently decorated Royal Deluxe Rooms are larger and more private, set off from the main building with their own cozy balcony. For a romantic weekend away, opt for one of the exquisite Honeymoon Deluxe Rooms, each with a private outdoor Jacuzzi.

## Luxury by the sea

Live on the brink of the ocean in one of four expansive Ocean Villas. Each villa boasts a bedroom and separate living room, an outdoor Jacuzzi or plunge pool and a large terrace. Perfectly harmonised with their natural surroundings, the villas also feature an outdoor dining area where you can enjoy a secluded dinner for two or a midnight cocktail by candlelight.

If you are eager to get away from the rest of the world, escape into the luxury of a Spa Suite, an expansive guestroom with an ensuite spa treatment room, steam shower and Jacuzzi bathtub. Located on the top floor of our own unique Breeze Spa, with magnificent views of the garden or ocean, you'll be able to enjoy Breeze Spa's full range of mood-inspired treatments right in the privacy of your own suite.

## A symphony of taste

Dine on crisp bruschetta with a glass of fine wine while you watch the sun dip into the horizon and colour the waves pink. Amari Vogue hosts a range of culinary options to satisfy any craving. Overlooking the pool and sea, the Sunset Lounge is the perfect place to drop in for an aperitif or a sundown cocktail.

The beachside Italian eatery Bellini is renowned for its fresh seafood and delectable Italian specialties. For those interested in Asian and international cuisines, visit Lotus, featuring a superb menu and a classically beautiful dining room with indoor or outdoor seating.

## In step with Krabi rhythms

The beach beckons. Situated on Tub Kaek Beach, Amari Vogue is perfectly located for an afternoon of lying out in the sun, building ivory sand castles or playing in the gentle surf. But for those who enjoy an action-packed holiday, the resort offers a selection of activities that will leave you spoiled for choice. Set out in true adventurer's style to explore the nearby islands and mangroves by kayak. Kick-start your day with a morning workout at the fully outfitted fitness room or go for a dip in one of the infinity pools. Take a diving class with a PADI instructor or learn to cook tom yam from our team of Thai chefs.

## breeze

Breeze is the spa that puts the bounce back in your step and a smile on your face. Refreshingly down to earth and bursting with zest and colour, a visit to Breeze Spa adds a spark to each day and positivity to every tomorrow.

The belief that happiness is one of the key foundations for wellness is at the heart of Breeze Spa's innovative Mood Therapy Treatment concept. Each treatment is aligned with a carefully chosen body therapy or massage technique as its centerpiece, enhanced by specific aromatherapy oils, herbal teas, musical selections and even colours to provide the perfect package to deliver the mood each guest is looking to bring to their life.
