

Good day, please see details for Kaskazi's wilderness ride below;

Kaskazi Horse Safaris main focus is multiple day horse safaris out in the bush, however we do also offer rides from our horse base.

Kilo Bravo, Kaskazi's horse base is in USA River /Maji Ya Chai, only 45 minutes drive from Arusha Town. The ride takes place on Dolly Estate and whether you are a complete beginner or an advanced rider, there is an opportunity and experience for everyone. Those with little riding experience can enjoy a gentle hack along dusty tracks where wildebeest and antelopes graze contentedly. Led by experienced guides, one can explore the meandering paths, spotting a rich array of wildlife along your way. Regularly seen on Dolly estate is one of the most elegant mammals found in Tanzania, the Gerenuk.

We offer morning and afternoon rides, 2-hour ride (depending on pace). The morning rides departs at 0800AM and the afternoon rides departs at 1430PM. We are flexible with time however these are the best hours of the day to be out in the bush on horseback.

Some people like to combine the morning ride with a lunch /brunch at the polo club afterwards, if this is of interest please let us know and we will book lunch /brunch for your group in advanced (its possible to pay the club in cash directly for food and drinks). The afternoon ride could be combined with a nice cold sundowner at the club, if this is of interest let us know in advanced so that we can plan accordingly (its possible to pay with cash at the club).

For lunch or sundowners, we will then ride on horseback to the polo club and finish the ride there. Thereafter arrangements will have to be made for the transport to pick up directly from the club rather than from Kilo Bravo, the horse base.
