

THE GROSVENOR HOTEL

OLD WORLD SPLENDOR MERGED WITH MODERN ART

Located in a restored historic building in the city and just 15 minutes' walk from Caroline Bay, The Grosvenor has a penchant for authentic and unique design. We have been called a boutique hotel and a hip hotel; we're a little modern, and a little bohemian. We offer simple comfort with an artistic twist, with our hotel rooms and common area's featuring art by local and international artists.

DINING AT THE GROSVENOR

A neighbourhood place and now a Timaru institution, TGB (The Grosvenor Bar) is located in a one of a kind historical space

with dramatic high ceilings, nostalgic exposed brick and modern touches and is open for breakfast, lunch and dinner 7 days. Whet your appetite with local, regional and international beers, wine and cider, then enjoy innovative tavern fare including traditional roasts, burgers, fresh salads, wraps, artisanal sandwiches and many other Kiwi favourites. Breakfast is served in the restaurant and guest selections are made from a tempting menu on check-in.

TIMARU EXPERIENCES

The Grosvenor as a halfway point between Lake Tekapo, gateway to the stars and Oamaru, the penguin capital of New Zealand; and it's the place with

exceptional southern hospitality. Timaru is the Centre of South Canterbury, known as the food basket of South Island. Here you can source organic and fresh produce that's been exported to the rest of the world. Caroline Bay is our local beach and has been voted as one of the top beaches in New Zealand.

Stretch your legs a little further and explore Timaru Coastal Walkway; walk to Jack's Point Lighthouse and enjoy the uninterrupted views of New Zealand's awe-inspiring coastal views and majestic mountains as the backdrop and if you are lucky you may get to see seals basking in the sun.
