“ This was my second stay and it was again a truly memorable experience. From friendly helpful staff who attend to every request no matter how small to a relaxing massage and facial in the spa to a stunning beach on your doorstep as well as a superbly catered restaurant this is the ideal holiday getaway. I thoroughly recommend it for couples and families

“ From the moment we arrived, greeted by receptionists singing Happy Birthday, arriving at our guest accommodation, luxurious rooms, birthday cake. A delicious meal in the resort restaurant. Sandpiper house right on the beach. A great location to walk to the Penguin sanctuary along the beach. A Birthday to remember. Thanks to the wonderful staff for making our stay so special
