Seagull's Song & Wave Warrior

These two 4 bedroom villas mirror image each other in layout and bring a slight avant-garde touch to seaside living as warm wooding furnishings stand out beautifully against modern kitchens and other contemporary touches such as brightly painted feature walls and stainless steel balustrades. The gardens exhibit their own swimming pools, braai and sheltered outdoor dining areas, easily melded with indoors simply by opening the broad sliding windows.

Indigenous hedges surrounding the gardens and provide a natural barrier against wind. Those not fearsome of heights can climb the exterior ladder to a viewing deck on each roof. Rooms 6 & 7 and 10 & 11 are located in the first floor of the villas while rooms 8 & 9 and 12 & 14 offer panoramic sea views from the top story. Both villas have two single garages and a guest bathroom located in the entrance hall.
