

### ABOUT EXPLORA

Founded in 1993, *explora* is a travel company that owns and operates hotels and Travesías -nomadic journeys-, in 7 remote destinations of South America. We propose a way of traveling based on in-depth exploration of the surroundings, the luxury of the essential and a sustainable development.

Our explorations are what make us unique, that's why we are constantly developing new routes. For this year, we offer over 2.236 miles of routes and more than 150 different explorations.

### LODGE

Located in one of the Valley's remotest haciendas, *explora* Valle Sagrado has views to the mountains that, some time ago, were part of the Inca Empire, and preserves pieces of history going back more than 400 years. The hotel is surrounded by Inca terraces and walls and our Pumacahua Bath House, where the hotel Spa is located, is a 17th-century colonial mansion that belonged to a Peruvian Independence hero.

### PROGRAMS

All our programs include accommodations, transfers, meals and beverages, and a selection of more than 40 explorations developed by our outdoor team. Minimum stay of 2 nights.

### LOCATION

70 km from Cusco (1:30 minutes) and at the heart of the Inca Empire, *explora* Valle Sagrado is sited in a protected and quiet hacienda, surrounded by cornfields and with views to the mountains.
