

REMOTE AFRICA SAFARIS

2022 COVID-19 TESTING IN ZAMBIA

COVID-19 PCR TESTING IN LUANGWA VALLEY

In order to get tested in the Luangwa with Remote Africa Safaris guests are required to spend **1 or 2 nights at Tafika Camp or Chikoko Trails Camps** in the South Luangwa. Number of nights required in the camp would be on a case by case basis depending on departure times. Testing in-camp entails the following:

SOUTH LUANGWA – TAFIKA CAMP / CHIKOKO TRAILS	TIME	COST PP USD
COVID TESTING PROCEDURE		
Guest is swabbed in camp	10min	30
Swabs are transported to Nature by Nature laboratory in Mfuwe	2h	90
Nature by Nature processes PCR test	3h	100
Test results are sent to Tafika Camp and certificates will be given to guest in camp	within 24h	
TOTAL	24hr – 48hr	220

COVID-19 PCR TESTING IN LUSAKA

Testing can be done at certain hotels and guest houses in Lusaka and at least a **1 night** stay is required. You're welcome to contact us for our preferred partners in Lusaka.

Guests may also use the PCR testing facility at the International airport. This can be facilitated through our partners Tours Africa and at least a 3hr layover is required at the airport:

LUSAKA INTERNATIONAL AIRPORT	TIME	COST PP USD
COVID TESTING PROCEDURE		
Guest is met by Tours Africa to be led through testing process and taken to international terminal	3h	35
PCR test (payable directly by card or cash)		50
TOTAL	3hr	85

*** Please note that costs are subject to change at any time due to changes in governmental legislation, statutory fees or from the testing facility and these costs will be passed on to the guest ***
