- Flight clearances require 24 hours and therefore we require at least 24 hours' notice to be able to commit to a flight. The flight is subject to the relevant aircraft availability and flight clearance being obtained.
- We can accept no responsibility for any delays caused by unforeseen circumstances, mechanical breakdowns, diversions due to weather or any other cause. However, we will endeavour to rectify the situation to the best of our ability.
- We reserve the right to sub charter third party aircraft should we not be able to provide our own aircraft.
- The flight is strictly subject to runway conditions and serviceability. If the destination airport/ airstrip is unsuitable for our aircraft for any reason, we will divert to the nearest alternative airport/ airstrip.
- The quotation is subject to availability at the time of confirmation.
- Prices are based on current fuel pricing and applicable government taxes in Zimbabwe. An escalation in fuel and/or taxes will influence the price and we reserve the right to adjust the prices quoted without prior notification.
- The air transfers indicated in this rates manual operate daily, with a minimum 2 passengers. The schedule is subject to change, depending on confirmed seats per route, weather, airstrip conditions and mechanical issues beyond our control. Any guest arriving less than 30 minutes before the stipulated departure time may have their seat cancelled to avoid knock-on effects with the schedule for the remainder of the day. All flights operate during daylight hours as many of the airstrips are unlit.

This cover must be taken by guests at the time of confirmation and not prior to departing on their travels. We cannot be held responsible for missed onward connections or having to overnight passengers due to unforeseen circumstances. Where possible, we will offer alternative means of transport if weather or mechanical breakdown prevents the plane from taking off. Additional services and forced overnight stays may be for the guest's own account.
- During Zimbabwe's rainy season (typically November to April) certain airstrips may be out of service. In these cases, the closest alternative airstrip will be used. As mentioned previously it is imperative that passengers have adequate Travel Insurance to cover cancelled flights, costs of alternative accommodations/arrangements and possible missed onward connections.
- Payments for flying services are governed by our standard payment policy which is available on request.
- Air transfers cancelled more than 14 days prior to departure date incur no cancellation fee.
- If air transfers are cancelled within 14 days prior to travel, 100% of total fare is liable.
